

Work Opportunity Tax Credit

Specialized Tax Credits Within Your Reach

Paradigm Partners is a professional tax services firm delivering government sponsored incentives to companies ranging in size from \$3 Million in average annual sales to upwards of \$10 Billion.

We work with a variety of companies including manufacturing and technology clients as well as align ourselves with CPA firms as their outsourced engineering department to provide specialized tax incentives to their clients.

Our staff includes some of the industry's most experienced attorneys, engineers, and audit experts from national consulting firms. Our legal and technical staffs together provide a complete turn-key and no-risk solution to clients generating substantial cash refunds.

Our goal at Paradigm is to provide you with niche solutions to help you maximize your benefits, which go beyond basic tax deductions.
